The History of the Gaelic Athletic Association in Canada-Ainsley Baldwin 2008-07-04 The history of Gaelic games in Canada, before the founding of the Gaelic Athletic Association in Ireland in 1884 and in the years since, proves a determination by Irish immigrants who have arrived in numerous provinces of Canada. Through their dedication the flag of Irish sports has flown strong, and will continue to fly in the years to come. The sporting traditions include the oldest European field game of hurling-a masterful art and the fastest game in the world-in which players use an ash wood stick and a hard ball. Many argue with some conviction, and no small amount of fact to support their case, that Canada's national sport, ice hockey, has its origins in hurling. The word puck is derived from the Irish word poc, which is the action of striking the ball with a hurley. In 1845, the civic fathers of Quebec City banned the playing of hurling in their narrow streets, while in St. John's, Newfoundland, hurling was being played as early as 1788 at the "Barrens" of the city. The ladies' version of hurling, Camogie, has had its presence on occasion in some Canadian communities. The skilful play of Gaelic Football, which has dominated the sporting scene across the country in many Canadian cities, continues to be the greatest strength in modern times. Along with two other Irish sports of handball and rounders, many wonderful memories for the Canadian-Irish community are celebrated in this book that captures an exciting facet of Irish culture.

Shanghai Nightscapes-James Farrer 2015-08-03 The pulsing beat of its nightlife has long drawn travelers to the streets of Shanghai, where the night scene is a crucial component of the city’s image as a global metropolis. In Shanghai Nightscapes, sociologist James Farrer and historian Andrew David Field examine the cosmopolitan nightlife culture that first arose in Shanghai in the 1920s and that has been experiencing a revival since the 1980s. Drawing on over twenty years of fieldwork and hundreds of interviews, the authors spotlight a largely hidden world of nighttime pleasures—the dancing, drinking, and socializing going on in dance clubs and bars that have flourished in Shanghai over the last century. The book begins by examining the history of the jazz-age dance scenes that arose in the ballrooms and nightclubs of Shanghai’s foreign settlements. During its heyday in the 1930s, Shanghai was known worldwide for its jazz cabarets that fused Chinese and Western cultures. The 1990s have seen the proliferation of a drinking, music, and sexual culture collectively constructed to create new contact zones between the local and tourist populations. Today’s Shanghai night scenes are simultaneously spaces of inequality and friction, where men and women from many different walks of life compete for status and attention, and spaces of sociability, in which intercultural communities are formed. Shanghai Nightscapes highlights the continuities in the city’s nightlife across a turbulent century, as well as the importance of the multicultural agents of nightlife in shaping cosmopolitan urban culture in China’s greatest global city. To listen to an audio diary of a night out in Shanghai with Farrer and Field, click here: http://n.pr/1VsIKAw.

Wake My Heart-Lydia Michaels 2021-02-23 When Ryan Clooney moves to the outskirts of his small town, the last thing he expects to find is love. Cursed to always be single, he’s burned-out on blind dates and pity “plus-ones”. He’s through waiting for The One to arrive. But once he meets Maggie, the beautiful, young widow next door, his plans change. Maggie O’Malley is not looking for love. Since losing her husband, she has withdrawn from small-town life and prefers to be left alone. But her new neighbor doesn’t seem to understand personal privacy, and the more he intrudes on her solitary life, the more she remembers how wonderful friendship can be. Determined to reach Maggie’s heart, Ryan has an awakening of his own, and learns what love is all about.

Terra Nova: The Search-Nathan Charlton 2009-03-29 In a small central California town, a seismologist working for the United States Geological Survey has made a terrifying discovery. A recent seismic phenomenon is predicting global volcanic activity that threatens to wipe mankind from the face of the earth. Fearing widespread panic and civil disobedience, it is decided to keep the truth a secret from the public. In order to save the human race, the President pushes forward with a dramatic initiative to overhaul NASA and begin a new mission: to colonize deep space. The newly formed deep space team must harness the technology of researcher and single-dad Tom Scolari, but with their eyes focused on the stars, the odds are against them at home. News of the earth's demise is on the verge of becoming public, and increasingly violent eruptions continue to mount around the globe. The survival of the human race rests upon the shoulders of a few, and time is running out.

Helpfully divided into 'Must Sees' for city highlights, 'Must Do' for top activities for every budget, and 'Must Know' for practical information.

Book Reviews

Brand Positioning-Erik Kosteljik 2020-02-18 Brand Positioning is an English translation of an exceptionally well-renowned Dutch textbook, which provides a practical approach to analysing, defining and developing a brand’s positioning strategy. Divided into three key parts, the book works step-by-step through the creation of an effective marketing strategy, combining an academic approach with the strategic and operational guidelines, tools and techniques required. Unlike other textbooks, it has a unique focus on the relationship between branding, marketing and communications, exploring brand values, brand identity and brand image, and analysing how these can be transformed into a successful positioning strategy, using international case studies, examples and practical exercises. This textbook will be core reading for advanced undergraduate and postgraduate students of marketing strategy, branding, marketing communications and consumer behaviour. It will also be of great value to marketing and communications professionals looking to develop and maintain their company’s brand.

The Price-Tom Reilly 2010-08-13 Four young people graduate from one of America’s finest universities NYU. They have been more than friends during their freshman years but for the class 2008 graduation brings the shock of reality as they face the real world. The NYU graduates decide to go their different ways unaware of the tragedies that will befall them in their pursuit of wealth and fame in the real world of materialism and man’s inhumanity to man. Their families are from different walks of life, from excessive wealth to working class. We live in an insanely competitive and individualistic world . . . one that worships, money, possessions, perfection and celebrity that never let us take a step off the treadmill. This is a drama of insurmountable proportions where, tragedy, murder, betrayal, fraud and industrial espionage are all part of their tremulous journey in the real world and the reality that with every decision we make there is always a price!

Book Reviews

Until I Find You-John Irving 2005-07-12 Until I Find You is the story of the actor Jack Burns - his life, loves, celebrity and astonishing search for the truth about his parents. When he is four years old, Jack travels with his mother Alice, a tattoo artist, to several North Sea ports in search of his father, William Burns. From Copenhagen to Amsterdam, William, a brilliant church organist and profligate womanizer, is always a step ahead - has always just departed in a wave of scandal, with a new tattoo somewhere on his body from a local master or “scratcher.” Alice and Jack abandon their quest, and Jack is educated at schools in Canada and New England - including, tellingly, a girls’ school in Toronto. His real education consists of his relationships with older women - from Emma Oastler, who initiates him into erotic life, to the girls of St. Hilda’s, with whom he first appears on stage, to the abusive Mrs. Machado, whom he first meets when sent to learn wrestling at a local gym. Too much happens in this expansive, eventful novel to possibly summarize it all. Emma and Jack move to Los Angeles, where Emma becomes a successful novelist and Jack a promising actor. A host of eccentric minor characters memorably come and go, including Jack’s hilariously confused teacher the Wurtz; Michelle Maher, the girlfriend he will never forget; and a precocious child Jack finds in the back of an Audi in a restaurant parking lot. We learn about tattoo addiction and movie cross-dressing, “sleeping in the needles” and the cure for cauliflower ears. And John Irving renders his protagonist’s unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches. This is an absorbing and moving book about obsession and loss, truth and storytelling, the signs we carry on us and inside us, the traces we can’t get rid of. Jack has always lived in the shadow of his absent father. But as he grows older - and when his mother dies - he starts to doubt the portrait of his father’s character she painted for him when he was a child. This is the cue for a second journey around Europe in search of his father, from Edinburgh to Switzerland, towards a conclusion of great emotional force. A melancholy tale of deception, Until I Find You is also a swaggering comic novel, a giant tapestry of life’s hopes. It is a masterpiece to compare with John Irving’s great novels, and restates the author’ s claim to be considered the most glorious, comic, moving novelist at work today.

Bittersweet November-M. L. Harris 2016-12-10 In this volume, Kelli continues to search for her true self. She explores her new sexuality and decides to finally give into it, with Susan. Susan, initially enamored with the Big Apple, begins to feel insecure. Kelli seems to be living a life, that Susan resents. Spending less and less time together, Susan decides to find out once and for all, if she's a lesbian or simply bisexual. Her test will be with Johnny Condon. (from Volume I.) She shares her thoughts on the matter with Kelli; and is surprised that Kelli seems agreeable to the liaison. Kelli feels that one last fling with the man Susan wants, will reveal once and for all if Susan is lesbian. Meanwhile, Kelli resents it, but doesn't let on to Susan. Instead, she decides to go do shots at O'Malley's, a local Irish Pub. Kelli, who is not much of a drinker, does several shots of hard liquor. She wakes up the next morning, lying naked on her stomach - in a cheap motel. She finds her clothing in a corner, ripped and in disarray. She goes to the bathroom to give herself a vaginal examination. She rushes to find her cell phone and calls Hank, her private investigator and says: "I need your help. I think I've been raped." Come inside and see what happens next.

The Report: Oman 2015-Oxford Business Group 2015-01-21 As with most of its neighbours in the GCC region, oil and gas remains a significant contributor to Oman’s economy, accounting for around 50% of GDP. While the recent slump in oil prices is a concern, increased investment in enhanced oil recovery techniques in recent times has attempted to make up for this decline, with supply increasing as a result. Meanwhile, Oman’s industrial sector, particularly the petrochemicals segment, is poised for large expansion with ongoing investment in downstream infrastructure and new facilities in the pipeline for the Sohar and Salalah industrial regions expected to contribute significantly to output before 2020. Added to this is the rapid development of Oman’s ports, rail and airports, which is expected to drive its reputation as a regional logistics hub while developing the tourism sector, which is considered as key moving forward.

The Irish Village Murder-Dicey Deere 2005-03-01 When American translator and sometime sleuth Torrey Tunet returns home to the Irish village of Ballynagh, she wants nothing more than to relax in front of a peat fire in her cottage. But when she finds an eight-year-old girl at the bus stop, waiting forlornly in the gathering darkness, Torrey reluctantly takes charge of delivering the child to the country house where her usually dependable aunt serves as housekeeper. What they find at Gwathney Hall, however, is not a warmly welcoming Auntie Megan: it's cold-blooded murder. Historian John Gwathney has been brutally shot in his own house, and the immediate suspect is none other than his housekeeper-the girl's aunt-Megan O'Faolain. Certain that her friend Megan is not a killer-and unable to resist a good mystery-Torrey vows to track down the murderer herself. As she digs deeper and deeper into Gwathney's research, looking for clues, she gets caught up in a whirlwind of theft, intrigue, and scandal. Is the guilty party Megan's not-so-secret lover, jealous of the romance Megan and Gwathney had shared? Was it Gwathney's assistant, who stood to gain a great deal upon his mentor's death? Was it Owen Thorpe, whose castle Gwathney visited for mysterious purposes shortly before he was killed? And how does the famous historian's final project-an unprecedented piece of scholarly detective work into the Sack

of Baltimore by Algerian pirates-fit into the mysterious puzzle of his murder? As Torrey struggles to clear her friend's name and uncover the real killer, she must employ all her skills to find the key to this shocking crime-and prove that even in a small town such as Ballynagh, people can keep the most dangerous of secrets...

Flyfisher's Guide to Florida Saltwater-Larry Kinder 2005-01-31 Fly fishers and light-tackle anglers from around the world have been coming to Florida's inshore waters for decades to sight fish for redfish, chase rolling tarpon, pull snook from the mangroves, or probe for spotted sea trout. Now, this comprehensive guide to saltwater fishing covers the east and west coasts of Florida and includes charts, maps, tackle shops and photos.

The Report: Oman 2017-Oman's economy contracted by 13.8% in nominal terms in 2015 as the ongoing low oil price environment squeezed growth and led to the largest budget deficit in over a decade. In a bid to tackle the shortfall the government is taking a number of revenue-raising measures such as cutting subsidies and increasing corporation tax, while remaining focused on its long-term diversification goals. Though hydrocarbons still account for 33.9% of GDP and 78.7% of state revenues, non-oil sectors are playing an increasingly prominent role in the country's economic profile. Authorities are targeting heavy industries in particular with plans to boost their GDP contribution to from 19.8% today to 29% by 2020. Meanwhile annual growth of 6% is being targeted in the mining sector, with a host of regulatory initiatives being implemented as the government seeks to boost investor interest. Start reading

Barbecue Lover's Kansas City Style-Ardie A. Davis 2015-10-15 Barbecue Lover's Kansas City Style celebrates the best this region has to offer. Perfect for both the local BBQ enthusiast and the traveling visitor alike, each guide features: the history of the BBQ culinary style; where to find-and most importantly consume--the best of the best local offerings; regional recipes from restaurants, chefs, and pit masters; information on the best barbecue-related festivals and culinary events; plus regional maps and full-color photography.

Shanghai Business Travel Guide-Lawrence Frank Deangelo 2006-01-15 An e-book that contains information from experienced Shanghai travelers on travel, hotels, entertainment, health issues, safety, and business etiquette. This Shanghai Business Travel Guide assumes you are a North American businessperson traveling directly from North America to Shanghai, China. The Guide's goal is to provide you with practical and current information that will allow you to plan and execute your trip most effectively. The Guide contains information written by business people who have lived, worked, and played in Shanghai. The Guide is different from most China travel guides, which are written for tourists not business people and are not frequently updated. Travel guides usually contain glowing reports of life in a particular country; we tell it like it is! This Guide helps you prepare for your trip by advising you how much to budget for your trip, how to get a visa, and what vaccinations you should have. We suggest the best hotels and help you find your way from the airport to your hotel. Of course the main purpose of your trip is business, and understanding Chinese business etiquette may mean the difference between a successful trip and a failure. We explain how the Chinese conduct business and guide you through business meetings and dinners. The Guide is packed with advice from experienced Shanghai travelers on all the things we love about the city and many of the problems we have encountered. We tell you how to power up your laptop and where to find the best restaurants and bars and what to do in an emergency. The Guide is packed with hyperlinks to relevant sites and even has a chapter on critical Chinese phrases you will need. And you can hear a native speaker recitethe phrases. This is an electronic document that will be emailed to you (Be sure to include your email address with your order.) The document is in PDF format and can be read with free Adobe Acrobat Reader software (www.adobe.com).

The Best Man-Lydia Michaels 2021-04-27 Patrick fell for Julie in kindergarten, when she shared her snack with him. As her childhood best friend, he adored and protected her for years, until she gave her heart to someone else. Loving Julie meant letting her choose her own path, so he did the gentlemanly thing and bowed out of her life, but never stopped loving her from afar. When Patrick returns to Jasper Falls for his brother's wedding, Julie is there--alone--and he decides it's time to hang his heart on the line, but Julie has been keeping secrets, too. Is it ever too late for a first love? When it comes to Julie Cook, there could never be another. And, this time, Patrick Clooney is determined to prove himself as the best man.

Love Me Not-Lydia Michaels 2021-06-22 Perrin is through with men. After dumping her cheating fiancé, she started a new career, and her life is finally on an upswing--until Gage comes to town. Gage King, of King Construction, represents everything the small town of Jasper Falls is not. His big Texan upbringing disguises his secrets well. At first glance, he's all luxury and a lavish lifestyle, but to a girl like Perrin Harris, he's one big eye roll. When Gage tries to buy the land Perrin has her heart set on, she puts a plan into action. She will stop at nothing to get what she wants, but so will Gage--and Gage wants her.

Scream for Me-Elizabeth Washburn 2013-08-12 Just when the first woman detective in South Carolina Law Enforcement Division, Elizabeth Bowlyn, thinks she has found small-town bliss, a sexual sadist serial killer has descended into her quiet town of Arcadia Lakes. He leaves a mutilated body practically in her backyard at the local golf course. Chosen to head up the task force charged with capturing Carver, Lizzie battles insecurities in her professional and personal life that jeopardize both finding the killer and ultimately her own fate.

The Report: Oman 2014-Oxford Business Group 2014-01-15 The sultanate's economy continues to enjoy the benefits of petroleum wealth, which has provided budget surpluses in most years and served as a backbone for growth. However, planning is well under way for an era in which oil will not be the main economic driver, with the twin goals of diversification and creating an increased number of private sector jobs at the top of the government's current agenda. Indeed, in recent years, the non-OPEC oil exporter's economy has been undergoing a steady transformation, reorienting from oil toward a more diverse set of service and industry-based economic activities. So far, progress has been promising. In 2011 oil and gas accounted for 38.8% of GDP. With the continuation of higher-than-expected energy prices in 2012, the government has increased economic investments accordingly. These investments, which include infrastructure, social programmes and small-business development, are aimed toward better preparing the country for its post-fossil fuel future.
