Daybreak-- 2250 A.D-Andre Norton 1968

Jottings-Liz Smith 2008-09-04 JOTTINGS is a collection of the stories that Liz Smith has written over the years. Sometimes they explore the darker side of life and what may occur out of the public gaze: a rich and lonely housewife neglects her child and the nanny subjects her charge to unpleasant and adult scenes; a man's wish for fame catapults him into prison and mistaken notoriety; an unhappy wife loses her only friend and is haunted by her. Other stories are more amusing: the sexy, man-eating woman who runs the mobile library: moving through the fog of 1950's London with the help of a blind man; a scheming daughter who plans to take her mother's money has a surprising comeuppance. Liz's stories are unexpected, original and revealing of a writer who is fascinated by relationships and the barriers we erect between our public and private selves.

My Story-Dave Pelzer 2004 The remarkable trilogy from SUNDAY TIMES No.1 Bestseller Dave Pelzer - now in one volume. A CHILD CALLED 'IT' is Dave Pelzer's story of a child beaten and starved by his emotionally unstable, alcoholic mother: a mother who played torturous, unpredictable games that left one of her three sons nearly dead. Dave was no longer considered a son, or a boy, but an 'it'. His bed was an old army cot in the basement and when he was allowed food it was scraps from the dogs' bowl. Throughout, Dave kept alive

the dream of finding a family who would love and care for him. **THE LOST BOY**: the harrowing but ultimately uplifting true story of Dave's journey through the foster-care system in search of a family who will love him. **A MAN NAMED DAVE**: the gripping conclusion to this inspirational trilogy. With extraordinary generosity of spirit, Dave takes us on a journey into his past. At last he confronts his father and ultimately his mother. Finally, Dave finds the courage to break the chains of the past and learn to love, trust and live for the future.
