

Not My Wolf Fenrir Wolves 1

Heal My Wolf: Gay Romance-Eden Cole Brandt is sent off to scout out new land at Corey, his alpha's, command. But when he gets caught in a flash flood and his car overturns, he wakes up in the bed of one sexy man. Brandt is attracted right away to Tyr, a healer, and from the look of the tented pants, the feeling is mutual. There's one problem--Tyr is a forest cat shifter. Dogs and cats mating? Yeah, probably not. But neither man is willing to give up the chance to have the other, even if it lasts the few days that Brandt waits for the roads to clear. When a few nights in bed with Tyr aren't enough, Brandt invites him to come home with him. Gentle Tyr has been used to giving in to the stronger men around him, if only to keep the peace, but he's never met a man that makes him feel like Brandt does. One of his former lovers doesn't want to let him go, but Brandt is more than a match. Broken promises, misunderstandings, and heartache await the two of them at the fenrir homestead. Especially when Tyr using his healing abilities reveals what kind of shifter he is to the other wolves. Brandt must save Tyr's life and decide whether dogs and cats can be bonded mates, and make it all work out in the end. Rogue Wolf: Black Mesa Wolves 8 (Wolf Shifter Romance Series)-J.K. Harper Book 8 in the Black Mesa Wolves series by USA Today bestselling author J.K. Harper Luke Rawlins trusts no one. Everyone he's ever known has betrayed him in the cruelest ways possible, leaving his mind cold and ruthless, and his shattered heart dark and empty. His home pack was filled with madness and deception, of the sort that could make a wolf doubt his own sanity. When he finally escaped, he chose instead life as a rogue: always hunted, always watching his back. Then the Black Mesa Wolf Pack took him in, and within their ranks he found a semblance of normal life. The opportunity to be alpha of his own pack is an unexpected gift, one he won't lose. He has a chance for a real life again. Until the sexy she-wolf who shattered his heart and broke his soul suddenly reappears in his life. Tala Mangan never wanted to be broken, scarred, or merciless, but her upbringing made sure of that. She's the product of a damaged pack, and she'll never be able to heal completely. The one time she dared to love, all she ended up doing was hurting the mate of her heart so badly she knows he will never forgive her. When he abruptly fled their pack months ago for a better life, she couldn't blame him for leaving her too. Even so, her heart has bled every day for Luke and the fearless joy they tried to build together. Trapped by the pack that will never let her go, she's resigned to living a short, brutal life instead. Then she's offered a terrible choice. The kind where she's damned if she does, and damned if she doesn't. The sort of choice that leaves Tala truly desperate and willing to do whatever it takes to save the only man she's ever wanted—even if the cost is her life. To the reader: This story is filled with hawt times, sexy romance, and the secret world of wolf shifters. If you love shifters, small towns, and the power of wild love to always triumph in the end, this book is for you. Sons of Fenris-Lee Lightner 2007-01-30 Science fiction-roman.

Sisters Red-Jackson Pearce 2010-06-07 Scarlett March lives to hunt the Fenris--the werewolves that took her eye when she was defending her sister Rosie from a brutal attack. Armed with a razor-sharp hatchet and blood-red cloak, Scarlett is an expert at luring and slaying the wolves. She's determined to protect other young girls from a grisly death, and her raging heart will not rest until every single wolf is dead. Rosie March once felt her bond with her sister was unbreakable. Owing Scarlett her life, Rosie hunts ferociously alongside her. But even as more girls' bodies pile up in the city and the Fenris seem to be gaining power, Rosie dreams of a life beyond the wolves. She finds herself drawn to Silas, a young woodsman who is deadly with an ax and Scarlett's only friend--but does loving him mean betraying her sister and all that they've worked for?

Odin's Wolves-Giles Kristian 2012-10-30 Packed with battles, blood and thrilling adventure, the third blood-stirring chapter in the story of Raven and his fellow Viking warriors is historical fiction at its very best. We lusted for an even greater prize... It is the one prize that can never be lost or stolen or burnt. And we would find it in Miklagard... Raven and the Wolfpack have suffered. Good men have died and the treasures they fought so hard for have been lost. But to such men as these there is something more valuable than silver. That thing is fame -- for fame is the saga-story that a Viking warrior leaves behind when he dies. Now the sea road leads to Constantinople, which Norsemen call Miklagard, the Great City, for it is there that they might find both riches and glory. But the Great City is far away and the voyage there takes the Fellowship in to unknown waters where they face new enemies. From the wind-whipped marshes of the Carmargue to the crumbling walls and arenas of a decaying Rome, Raven must fight harder for his life than ever before. He must prove himself to others -- and he must watch his back too, for an old enemy is sharpening his treacherous claws. The young warrior with the blood-tainted eye will even challenge the Norns of fate who, it is said, have spun his doom. But the Valkyries are stalking, eager for new heroes to take to Ódin's hall. The clash of sword and axe and spear will ring out in Miklagard and the Fellowship will pay a high price in blood for the fame they seek.

The Prophecy-Lane Robson 2014-12-10 Asgard is a subterranean kingdom populated by the descendants of Viking colonists whose vessels are blown off course and who are eventually stranded in the Canadian arctic. The subterranean kingdom also includes various aboriginal peoples from North America (Anasazi, Haida, Siksika, Inuit), Central America (Maya), and South America (Inca), and intelligent bears. There is an ancient prophecy that on the millennium anniversary of the arrival of the original Vikings, a blonde surface woman of Icelandic heritage will wed the current prince and usher in an age of untold prosperity. The blonde woman was foretold to appear at a hot spring (one of the natural entrances to the subterranean world) during a full moon when the lights were dancing in the northern sky. Princess Malicious, daughter of the King, covets the throne of Asgard. Her treacherous plans threaten the peace and survival of the kingdom. Viking, Mayan, Inca, Haida, Anasazi, Siksika, and other aboriginal myths and history are woven into the story. Descriptions of the cavern world (stalactites, stalagmites, crystals) are realistic. Seeing is an important theme--seeing in dreams, seeing in wakeful visions, vision quests, drug-induced visions. Faith and conservation are other important themes

Oracle of Tao-Samantha Rinne Hooker 2020-01-19 In Earth's distant future, most of its religions known today decline or change. As a result of this spiritual upheaval, the barrier between the spiritual world and the physical one falter, and ghouls and demons are loosed upon the earth. Ultimately, most of these are resealed by the new religions, but one such demon named Belial, requires nothing short of sealing by angels to put back to rest. Thousands of years later, a beggar named Ambrosia Brahmin picks herself off the street only to be sent on a fetch quest by God, joined by swordsman, a shaman, a thief, a druid, an exorcist, an angel, and a demon. Meanwhile, the demon from eons before, sealed in a jar, is slowly being unsealed by a duped wizard, given false promises of rewards that await him...

Nothing Special-A E Via 2019-08-09 THIS TITLE HAS BEEN REVISED AND REEDITED. An additional 6k words have been added to the original text. Detective Cashel 'Cash' Godfrey is big, tattooed and angry so people typically keep their distance. He's fresh out of the police academy, however, no one is looking to partner with the six foot four beast with a huge chip on his shoulder and an inability to trust. When Cash scans the orientation room he wasn't expecting to find sexy hazel eyes locked onto him. Eyes of the handsome Detective Leonidis 'Leo' Day. Leo is charming, witty, hilariously sarcastic and the only one that can make Cash smile. He's proud, out and one bad-ass detective. Together Cash and Leo become the most revered and successful narcotics detectives Atlanta's ever seen. Able to communicate and understand each other, without even having to voice it, they quickly climb up the promotional ranks. When Cash saves Leo's life in a raid that turns deadly, Leo begins to see something in the big man that no one else does...something special. But Leo fears he'll never break through the impenetrable wall that protects Cash's heart. Nothing Special takes the reader through various emotions throughout the richly fulfilling plot that's full of erotic gay romance, heartache, passion, trials and tribulations, police action scenes, and an intriguing twist that comes to an amazing ending that's impossible to see coming. Blood Rites-Quinn Loftis 2011-11-18 With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jacque and perform the Blood Rites. Although the challenge is done, the effects are far-reaching. Once it is known that Vasile one of the strongest Alphas in the world is in America, specifically Coldspring, TX, there is one Alpha who cannot overlook the significance of this. An Alpha who happens to share Jacque's DNA, but is this the one she needs to fear? With her mom driving and her two best friends, Jen and Sally in tow, Jacque set off for her happily ever after. She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane's grasp forever. It will take a wolf pack, her mother's love, her two best friend's unrelenting determination, her own will to survive and the undying love of her mate to bring her home. The question remains, if she fights, if she endures, who will she be, what will be left once she is back in her mate's arms?

Two years later, Bryce still haunts the city's most notorious nightclubs - but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom - and the power of love.

Blood Law-Karin Tabke 2011-05-03 A captivating paranormal from a rising voice in erotic romance. As undisputed Alpha, Rafael must choose a life mate to preserve the dominance of his Lycan pack. He never suspected his mate would be a human, the same wounded girl-woman he seduced from the brink of death. Fallon is a dangerous combination of Lycan and Slayer-bred to destroy his kind. She's also a mesmerizing beauty whose sensuality tempts the warrior to take risks. Surrendering to their primal heat could destroy them both...for a vengeful foe awaits to take what is rightfully his by Blood Law.

My Story: Viking Blood-Andrew Donkin 2016-05-05 Part of the million-selling MY STORY series that brings the past into the real world, giving it a truly human touch. It's 1008 AD, and after being injured in a raid that goes horribly wrong, Tor Scaldbane is devastated at losing his chance to be a legendary warrior. But then he discovers the sagas of his ancestors; glorious, bloody battles, ancient heroes, powerful gods ... and realizes that all might not be lost after all...

Loki's Wolves-K. L. Armstrong 2013-05-07 "The runes have spoken. We have our champion...Matthew Thorsen." Matt hears the words, but he can't believe them. He's Thor's representative? Destined to fight trolls, monstrous wolves and giant serpents...or the world ends? He's only thirteen. While Matt knew he was a modern-day descendent of Thor, he's always lived a normal kid's life. In fact, most people in the small town of Blackwell, South Dakota, are direct descendants of either Thor or Loki, including Matt's classmates Fen and Laurie Brekke. No big deal. But now Ragnarok is coming, and it's up to the champions to fight in the place of the long-dead gods. Matt, Laurie, and Fen's lives will never be the same as they race to put together an unstoppable team, find Thor's hammer and shield, and prevent the end of the world. In their middle grade debut, K.L. Armstrong and M.A. Marr begin the epic Blackwell Pages series with this action-packed adventure, filled with larger-than-life legends, gripping battles, and an engaging cast of characters who bring the myths to life.

Woof Woof Story: I Told You to Turn Me Into a Pampered Pooch, Not Fenrir!, Vol. 1 (light novel)-Inumajin, 2019-02-19 After being worked quite literally to death, corporate slave Routa Okami's dying wish is to be reborn as the well-loved pet of a rich family. When a compassionate goddess actually grants him his wish, Routa commits himself to the lazy, carefree, all-you-can- nap lifestyle of a pampered pup--complete with a beautiful owner and all the delicious food he can eat! But as Routa grows...and grows...and grows...he realizes something is terribly wrong. With his enormous body, razor-sharp teeth, and fierce visage, it's painfully obvious that he was reincarnated not as a dog but as a giant wolf. And not just any wolf--the legendary wolf king Fenrir!

Norse Mythology-Neil Gaiman 2017-02-07 "Remarkable.... Gaiman has provided an enchanting contemporary interpretation of the Viking ethos."—Lisa L. Hannett, Atlantic Neil Gaiman, long inspired by ancient mythology in creating the fantastical realms of his fiction, presents a bravura rendition of the Norse gods and their world from their origin through their upheaval in Ragnarok. In Norse Mythology, Gaiman stays true to the myths in envisioning the major Norse pantheon: Odin, the highest of the high, wise, daring, and cunning; Thor, Odin's son, incredibly strong yet not the wisest of gods; and Loki—son of a giant—blood brother to Odin and a trickster and unsurpassable manipulator. Gaiman fashions these primeval stories into a novelistic arc that begins with the genesis of the legendary nine worlds and delves into the exploits of deities, dwarfs, and giants. Through Gaiman's deft and witty prose, these gods emerge with their fiercely competitive natures, their susceptibility to being duped and to duping others, and their tendency to let passion ignite their actions, making these long-ago myths breathe pungent life again.

Norwegian Native Art-Imke von Helden 2017 Often dismissed as an image with which to attract tourists and to endow athletes with associations of power and endurance, the Vikings and Norse mythology seem to have lost their appeal as an element of identity construction in Norwegian society—apart from the phenomenon of metal music, where these elements are essential. This study analyses the functions of Norse themes as they are applied in Norwegian metal culture with regard to the construction and experience of cultural identity, shedding light on the musicians' diverse motivations and intentions. Imke von Helden's research focuses on the adaptation of history in metal culture from a Scandinavianist's perspective. She currently works as a research assistant at the University of Koblenz-Landau.
